

Curriculum Vitae

Iñaki Permanyer Ugartemendia

February 2019

Personal Information

Date of birth: September 16th, 1974 Nationality: Spanish

Professional Address: Center for Demographic Studies (CED, Centre d'Estudis Demogràfics), Autonomus University of Barcelona, Building E2, 08193 Bellaterra (Spain)

E-mail: ipermanyer@ced.uab.es Phone number: (+34) 935813060 (ext. 244)

Researcher unique identifiers: ORCID: [0000-0002-7051-5144](https://orcid.org/0000-0002-7051-5144) / Research ID: [M-3571-2015](https://www.researcherid.com/rid/M-3571-2015) / Author ID: [35273144500](https://pubmed.ncbi.nlm.nih.gov/author/35273144500/).

URL for web site: <http://ced.uab.es/directori/inaki-permanyer-ugartemendia/>

Education

- **2008-2010** Fulbright post-doctoral research training at Cornell University (United States) under the supervision of Professor Lourdes Benería.
- **2007** Ph.D. in Demography “*On the Robust Measurement of Well-Being in a Gender Perspective*”. Universitat Autònoma de Barcelona (Spain). Ph.D Advisor: Montse Solsona (Centre d'Estudis Demogràfics and Universitat Autònoma de Barcelona).
- **2004** M.A. in Demography “*The Demographic and Health Surveys: a fundamental tool for the study of contemporary fertility transitions*”. Universitat Autònoma de Barcelona (Spain).
- **1998** M.Sc. in Mathematics “*Une extension du théorème d'Hurewicz*”. University of Lausanne (Switzerland).
- **1997** B.Sc. in Mathematics. Universitat Politècnica de Catalunya (Spain).

Current Position

- Since 2014 ‘Ramón y Cajal’ Postdoctoral Individual Research Fellow at Centre d'Estudis Demogràfics (CED), Barcelona (Spain), co-funded by the European Research Council Starting Grant project EQUALIZE (ERC-2014-StG-637768).
- Since 2013 Co-Director at CED of the two EU- H2020 funded RIA research projects on Inclusive Growth Research Infrastructure Diffusion’ (InGRID and InGRID-2). Ref. CP-CSA-Infra 312691 and INFRAIA-2016-1 Project ID: 730998.
<http://www.inclusivegrowth.eu>

Previous Positions

- **2010-2013** ‘Juan de la Cierva’ Postdoctoral Research Fellow at Centre d'Estudis Demogràfics (CED), Barcelona (Spain).
- **2009-2010** Visiting Researcher at the Department of City and Regional Planning in Cornell University (USA).
- **2007-2008** Researcher at Institut d'Anàlisi Econòmica (IAE-CSIC, Spain).
- **2000-2008** Adjunct Professor at the Economics Department of Universitat Autònoma de Barcelona (Spain).
Research Associate at Centre d'Estudis Demogràfics (CED, Spain).

- **1999-2000** Adjunct Professor and Researcher at the Mathematics Department of Universitat Autònoma de Barcelona (Spain).
- **1997-1998** Adjunct Professor and Researcher at University of Lausanne (Switzerland).

Research Areas (UNESCO Codes)

Socio-economic characteristics (520610); Welfare theory (530719); Demo-geography (540302); Measurement and index construction (630501); Statistical analysis (630503); Family, kinship (630903); Marriage (630904); Social mobility (630906); Social stratification (630907) Poverty (631008) Quality of life (631009).

Fellowships and Awards

- ‘Ramón y Cajal’ Individual Research Fellow at Centre d’Estudis Demogràfics (CED) funded by Spanish Ministry of Science and Education. Ref. RYC-2013. Period: 2014-2019.
- Awarded with an ERC Starting Grant for the project “Equalizing or Dinequalizing? Opposing Socio-demographic Determinants of the Spatial Distribution of Welfare (EQUALIZE)” Ref. ERC-2014-StG-63776). Period: 2015 -2020.
- Awarded with a BBVA Foundation for Researchers and Innovators price for the project “The impact of population and economic growth on the achievement of the Millennium Development Goals: Lessons from the past for the future Global Development Agenda”. Period: 2014 – 2015.
- Awarded with the Research Accreditation (‘Acreditació de Recerca’) from the Agència per a la Qualitat del Sistema Universitari de Catalunya, Generalitat de Catalunya (AQU) (see <http://www.aqucatalunya.org>). Year: 2012.
- Awarded with the Accreditation to join the University Teaching Bodies from the Agencia Nacional de Evaluación de la Calidad i Acreditación (ANECA) (see: <http://www.aneca.es/eng/Evaluation-Activities/ACADEMIA>). Year: 2013.
- ‘Juan de la Cierva’ Postdoctoral Research Fellow at Centre d’Estudis Demogràfics (CED) funded by Spanish Ministry of Economy and competitiveness. Ref. JCI-2010-07414. Period: 2010-2013.
- Fulbright Fellowship for a postdoctoral stay research training at Cornell University (United States) under the supervision of Professor Lourdes Benería. Academic years: 2008-2009 & 2009-2010.
- Erasmus mobility program at the École Polytechnique Fédérale de Lausanne (EPFL) (Switzerland). Academic year: 1996-1997.

Supervisions of Graduate Students and Postdoctoral Fellows

- Supervisor of five Ph.D. students from the *Doctorate in Demography* at the Centre d’Estudis Demogràfics and Universitat Autònoma de Barcelona: Joana Serret (19/06/2014), Pinar Köksel (28/11/2017), Amalia Gomez (7/11/2018), Victoria San Juan (expected in 2019), Hortense Fraser (expected in 2019).
- Supervisor of the *Master Thesis*’ works of the European Doctoral School in Demography (EDSD): László Németh (25/07/2012) and Marcus Ebeling (04/03/2013).

- Supervisor of the *Master Degree's in Spatial Planning and Population Studies (Specialization in Demography)* of the Centre d'Estudis Demogràfics and Universitat Autònoma de Barcelona: Rafael Navarro (12/07/2016) and Victoria San Juan (05/07/2016).

Teaching Activities

- **2009-2010** Adjunct Professor in *Social Indicators: Theory and Applications* and *Inferential Statistics for Planning and Public Policy* in the Masters and PhD level courses of the Department of City and Regional Planning in Cornell University (USA).
- **2000-2008** Adjunct Professor in *Mathematics, Mathematical Economics, Statistics* and *Econometrics* in the Economics Department of Universitat Autònoma de Barcelona (Spain).
- **1999-2000** Adjunct Professor in *Mathematics* and *Statistics* in the Mathematics Department of Universitat Autònoma de Barcelona (Spain).
- **1997-1998** Adjunct Professor in *Mathematics*. University of Lausanne (Switzerland).

Organization of Scientific Meetings

Member of the steering and organising committee

- **2018** *InGRID Data Forum on Harmonization and Uses of European Microdata*. Organized by Centre d'Estudis Demogràfics (CED), IPUMS (University of Minnesota) and HIVA-KU Leuven. Barcelona, January 18-19.
- **2015** *InGRID Expert Workshop Research uses of high-precision census samples*. Organized by Centre d'Estudis Demogràfics (CED) and HIVA. Barcelona, June 25-27.
- **2014** Seminar on *¿Who marries whom? Past and present*. Organized by Centre d'Estudis Demogràfics (CED) and the Asociación de Demografía Histórica (ADEH). Barcelona, January 16-17.
- **2011** International Seminar on *Uses of census data in Europe in a comparative perspective*. Organized by Centre d'Estudis Demogràfics (CED) and the Institut National d'Etudes Démographiques (France); Institut d'Etudes Démographiques, Université de Bordeaux (France); Observatoire Démographique Européen (France). Bellaterra, June 9-11.
- **2010** Internacional Seminar on *Marriage and Family in Latin America*. Organized by Centre d'Estudis Demogràfics (CED), Bellaterra, October 7-8.

Convenor and organizer of sessions

- **2016** Session 98: 'Modelling unions and other transitions to adulthood'. *2016 European Population Conference* (EPC) organized by EAPS. Mainz (Germany), August 31-September 3.
- **2016** Session 14: Inequality and Poverty Measurement 1. *13th Meeting of the Society for Social Choice and Welfare* organized by Society for Social Choice and Welfare. Lund (Sweden), June 28-July 1.
- **2016** Session 11: Population dynamics, poverty and inequality. *XI Congreso de la Asociación de Demografía Histórica*. Cádiz (Spain), June 21-24.
- **2013-2017** InGRID's Transnational Access activities for the Center for Demographic Studies and Integrated European Population Microdata research infrastructure.

Commissions of Trust

- **2018** Evaluator of projects for The Netherlands Organisation for Scientific Research (NWO).
- **2017** Evaluator of projects and grants for the Swiss National Science Foundation.
- **2017** Remote Evaluator of the ERC Starting Grant 2017 Call.
- **2014** Member of the Editorial Board, *Feminist Economics*.

Memberships of Scientific Societies

- Member of the Population Association of America (PAA).
- Member of the International Union for the Scientific Study of Population (IUSSP).
- Member of the European Association for Population Studies (EAPS).
- Member of Economics of Inequality and Poverty Analysis (EQUALITAS).
- Member of the Society for the Study of Economic Inequality (ECINEQ).

Journal Refereeing (in alphabetical order)

Cities; Demography; Documents d'Anàlisi Geogràfica; Econometrica; Economics Bulletin; Économie Régionale & Urbaine; European Journal of Population; Feminist Economics; Gender and Society; Journal of Applied Econometrics; Journal of Development Economics; Journal of Economic Inequality; Journal of Economic Interaction and Coordination; Journal of Human Development; Journal of Public Economic Theory; Journal of Public Economics; Quality and Quantity; Review of Income and Wealth; Regional Studies; Social Choice and Welfare; Studies in Family Planning; World Development.

Major Collaborations

Drs. Albert Esteve (Centre d'Estudis Demogràfics); Conchita d'Ambrosio (University of Luxembourg) Ron L. Lesthaeghe ((Vrije Universiteit Brussels and member of the Belgium's Royal Academy of Science), Jeroen Smits (Radboud University), Milorad Kovacevic (Human Development Report Office-UNDP) and Sabina Alkire (Oxford Poverty and Human Development Initiative)

R+D+I Projects

International Projects

- **2017-2021** “Integrating research infrastructure for European expertise on Inclusive Growth from data to policy' (InGRID-2)”, funded by the H2020-European Commission-Research and Innovation Action (RIA)-INFRAIA-2016-2017/H2020-INFRAIA-2016-1 involving 19 partners (<http://inclusivegrowth.be/>). Principal Investigator: Guy van Gyes (HIVA-Research Institute for Work and Society, K U. Leuven). Ref. Project ID: 730998. Grant Amount: 9349517.5 €. Participation: Co-Director at CED.
- **2015-2020** “Equalizing or Dinequalizing? Opposing Socio-demographic Determinants of the Spatial Distribution of Welfare (EQUALIZE)”, funded by the European Research Council Starting Grants Program. Principal Investigator: Iñaki Permanyer, Centre d'Estudis Demogràfics. Ref. ERC-2014-StG-637768. Grant Amount: 1174500 €. Participation: Principal Investigator.

- **2013-2017** “Inclusive Growth Research Infrastructure Diffusion (InGRID)”, funded by the European Commission’s 7th Framework Programme involving 17 partners (<http://inclusivegrowth.be/>). Principal Investigator: Guy van Gyes (HIVA, K U. Leuven). Ref. CP-CSA-Infra 312691. Grant Amount: 4978988 €. Participation: Co-Director at CED.
- **2010-2015** “Towards a Unified Analysis of World Population: Family Patterns in Multilevel Perspective (WORLDFAM)”, funded by the European Research Council. Principal Investigator: Albert Esteve, Centre d’Estudis Demogràfics. Ref. ERC-2009-StG-240978. Grant Amount: 1089000 €. Participation: Research team member.

National Projects

- **2018-2019** “Diagnosi de la pobresa i la vulnerabilitat social a la comarca del Maresme”, Consell Comarcal del Maresme, Project ID: 2.1.4/8/2017. Principal Investigator: Iñaki Permanyer. Budget 122657 €.
- **2017-2019** “Grup de Recerca en Demografia i Famílies” (DEMFAMS), Departament d’Universitats, Investigació i Societat de la Informació de la Generalitat de Catalunya. Ref. 2017 SGR 1454. Principal investigator: Albert Esteve. Budget: 38400 €. Participation: Research team member.
- **2016-2018** “Estrategias familiares y respuestas demográficas a la crisis económica (CRISFAM)”, funded by Programa Estatal de Investigación, Desarrollo e Innovación Orientada a los Retos de la Sociedad. Principal Investigators: Iñaki Permanyer and Albert Esteve, Centre d’Estudis Demogràfics. Ref. CSO2015-64713-R. Grant Amount: 98010 €. Participation: Principal Investigator.
- **2014-2017** “Grup de Recerca en Demografia i Famílies” (DEMFAMS), funded by Departament d’Universitats, Investigació i Societat de la Informació de la Generalitat de Catalunya. Principal investigator: Albert Esteve. Ref. SGR 2014 SGR-417. Grant Amount: 25200 €. Participation: Research team member.
- **2014-2016** “Equality and Poverty: Methods and Implications”, Principal Investigator: Xavier Ramos, Departament Economia Aplicada UAB. Ref. ECO2013_46516-C4-1-R. Grant Amount: 21780 €. Participation: Research team member.
- **2014-2015** “The impact of population and economic growth on the achievement of the Millennium Development Goals: Lessons from the past for the future Global Development Agenda”, funded by the BBVA Foundation for Researchers and Innovators. Principal Investigator: Iñaki Permanyer, Centre d’Estudis Demogràfics. Grant Amount: 39325 €. Participation: Principal Investigator.
- **2015** “Valores y actitudes asociados a las nuevas formas familiares”, funded by Centro de Investigaciones Sociológicas (CIS)- Ministerio de la Presidencia. Principal investigador: Albert Esteve, Centre d’Estudis Demogràfics (CED). Ref. 115-002569. Grant Amount: 10000 €. Participation: Research team member.
- **2011-2013** “Poverty and Equality: Methods and Implications”, funded by Ministerio de Economía y Competitividad. Principal Investigator: Xavier Ramos, Departament Economia Aplicada UAB. Ref. ECO2010-21668-C03-02. Grant Amount: 110231 €. Participation: Research team member.
- **2009-2011** “Reconstituted families Households and Gender Equality: New Paradoxes?” funded by Ministerio de Educación y Ciencia. Secretaría de Estado de Universidades e Investigación. Principal Investigator: Rocío Treviño, Centre d’Estudis

Demogràfics. Ref. CSO2008-00654. Grant Amount: 77440 €. Participation: Research team member.

- **2006-2008** “Family trajectories after divorce. Gender, kinship and territory”, funded by Ministerio de Educación y Ciencia. Secretaria de Estado de Universidades e investigación. Principal Investigator: Montse Solsona, Centre d’Estudis Demogràfics. Ref. SEJ2005-03764/GEOG. Grant Amount: 58310 €. Participation: Research team member.
- **2004-2008** “Polarization and Conflict”, funded by the European Commission-DG Research Sixth Framework Programme. Principal Investigator: Joan Esteban, Institut d’Anàlisi Econòmica. Ref. CIT-2-CT-2004-506084. Participation: Research team member.
- **2004-2005** “A Projection of the demand of University studies in Catalonia, 2014-2015”, funded by Departament d’Universitats, Recerca i Societat de la Informació. Principal Investigator: Daniel Devolder, Centre d’Estudis Demogràfics. Grant Amount: 36000 €. Participation: Co-Director.

Selected Conference Presentations (last five years)

- “Longevity and lifespan variation by educational attainment in Spain: 1960-2015”, paper presented at the *2018 European Population Conference (EPC)* celebrated in Brussels (Belgium), June 6-9, 2018.
- “Educational assortative mating as a determinant of changing household income inequality: A 22-country study” and “A century of change in global educational inequality and gender differences in education”, papers presented at the *Population Association of America (PAA). 2018 Annual Meeting* celebrated in Denver (United States), April 26-28, 2018.
- “Longevity and lifespan variation by educational attainment in Spain: 1960-2015”, paper presented at the Workshop *Inequality and uncertainty in length of life*, celebrated in Tel Aviv (Israel), May 17, 2018.
- “The Regional Human Development Index: Global distribution and recent trends (1990-2017)”, paper presented at the *Global Family Change-GFC Project Meeting*. (University of Oxford) celebrated in Oxford (UK), January 8, 2018.
- “The contribution of educational assortative mating to household income inequality across 21 European countries and the United States”, paper presented at the *Conference. Changing Gender Inequalities, Changing Families?* Celebrated in Leuven (Belgium), December 7-8, 2017.
- “Global trends in educational inequality”, “A new approach to length of life inequality measurement” and “The influence of educational marital homogamy on income inequality between households from a comparative perspective” papers presented at the *28th International Population Conference of the International Union for the Scientific Study of Population (IUSSP)* celebrated in Cape Town (South Africa), 29 October-4 November, 2017.
- “Benchmark inequality measures”, paper presented at the *7th Meeting of the Society for the Study of Economic Inequality (ECINEQ)* celebrated in New York (United States), July 17-19, 2017.
- “Educational Inequality Across and Within Genders: A Global Perspective”, paper presented at the *Population Association of America (PAA). 2017 Annual Meeting* celebrated in Chicago (United States), April 27-29, 2017.
- “A century of change in global educational inequality between and among genders”, paper presented at the *ISA RC28. Social Inequality and Mobility Revisited. Challenges Through recent Demographic Trends. Spring Meeting 2017* celebrated in Cologne (Germany), March 30-April 1, 2017.
- “How Do Living Arrangements Affect the Prevalence of Jobless Households Across European Regions?”, paper presented at the *2016 European Population Conference (EPC)* celebrated in Mainz (Germany), August 31-September 3, 2016.
- “On the measurement of multidimensional poverty in multiple domain contexts”, paper presented at the *13th Meeting of the Society for Social Choice and Welfare* celebrated in Lund (Sweden), June 28-July 1, 2016.
- “The Impact of Population and Economic Growth on the Achievement of the Millennium Development Goals”, paper presented at the *Population Association of America (PAA). 2016 Annual Meeting* celebrated in Washington D.C. (United States), March 31-April 2, and at the *2016 European Population Conference (EPC)* celebrated in Mainz (Germany), August 31-September 3, 2016.

- “Marriage market polarization in the time of college educational expansion”, paper presented at the *Population Association of America (PAA). 2016 Annual Meeting* celebrated in Washington DC (United States), March 31-April 2, 2016.
- “Multidimensional Poverty Indices and First Order Dominance Techniques: An Empirical Comparison of Different Approaches” and “Multidimensional poverty measurement: Making the identification of the poor count”; papers presented at the *6th ECINEQ Conference* celebrated in Luxembourg, July 2015.
- “Polarization through assortative mating: Is social closure among the college educated increasing?” paper presented at the *Population Association of America (PAA). 2015 Annual Meeting* celebrated in San Diego (United States), May 2015.
- “Assessing individuals’ deprivation in a multidimensional framework”; paper presented at the *12th Meeting of the Society for Social Choice and Welfare* celebrated in Boston (United States), 18-21 June 2014 and at the *Second MOVE-ISER Workshop, MOVE (Markets, Organizations and Votes in Economics)* celebrated in Bellaterra (Spain), March 12, 2014.
- “Human Development Index-like small area estimates for Africa computed from IPUMS-international integrated census microdata” and “Measuring achievement and shortfall improvements in a consistent way”; papers presented at the *Population Association of America (PAA). 2014 Annual Meeting* celebrated in Boston (United States), May 2014 and at the *2014 European Population Conference (EPC)* celebrated in Budapest (Hungary), June 2014.
- “A Geography of Unmarried Cohabitation in the Americas” and “The Isolation of the Unemployed Across European Households: 1998-2011”, papers presented at the *2014 European Population Conference (EPC)* celebrated in Budapest (Hungary), June 25-28, 2014.
- “Are countries achieving the Millennium Development Goals?”, “Unmarried Cohabitation in the Americas: Unveiling the Spatial Dimension” and “The impact of educational homogamy on isolated illiteracy levels”; papers presented at the *XXVII IUSSP International Population Conference* celebrated in Busan (South Korea), August 2013.
- “Using Census Data to Explore the Spatial Distribution of Human Development” and “A critical assessment of UNDP’s Gender Inequality Index”; papers presented at the *Population Association of America (PAA). 2013 Annual Meeting* celebrated in New Orleans (United States), April 2013.
- “A critical assessment of UNDP’s Gender Inequality Index” and “Using Census Data to Explore the Spatial Distribution of Human Development”; papers presented at the *V Latin American Population Association Conference (ALAP)*, celebrated in Montevideo (Uruguay), October 2012.
- “The impact of educational homogamy on literacy levels”, paper presented at the *2012 European Population Conference (EPC)* celebrated in Stockholm (Sweden), June 2012.

Invited Seminars and other academic activities

- Invited as international expert to the “Recasting Human Development Measures” workshop, organized by the UNDP’s Human Development Report Office and celebrated in New York, March 2018.
- Invited to give the seminar ‘The Subnational Human Development Index. Global distribution and recent trends (2000-2015)’ in the UNDP Human Development Report Office, New York, March 2018.
- Invited to give the seminar ‘Measuring poverty in multidimensional contexts’ in the Economics Departments of Murcia and Valladolid Universities, June 2018.
- Invited as narrator of the IV Table of the workshop Desigualdad y Pobreza en España: Nuevos enfoques / IV Workshop de Historia Antropométrica. Fundación Séneca; MINECO; Departament d’Economia Aplicada, Universidad de Murcia, Murcia (Spain), January 18-19, 2018
- Invited to give the seminar ‘A century of change in global educational inequality and gender differences in education’. Facultad de Ciencias Económicas, Empresariales y Turismo (Universidad de Alcalá de Henares). Alcalá de Henares (Spain), November 23rd, 2017.
- Invited to give the seminar ‘On the measurement of inequality for bounded variables’. Nijmegen Center for Economics, Radboud University. Nijmegen (The Netherlands), April 2017.
- Invited as international expert to the “Revisiting the SIGI aggregation methodology” in SIGI 2018 Expert Group Meeting organized by OECD celebrated in Paris, September 2016.
- Invited to give the seminar “The Impact of Population and Economic Growth on the Achievement of the Millennium Development Goals”, within the MPC Seminar Series of the Minnesota Population Center, University of Minnesota, Minnesota (United States), March 28th, 2016.
- Invited to give the seminar “On the measurement of multidimensional poverty in multiple domain contexts”, within the Seminarios de Economía of the Departamento de Economía, Universidad de Vigo. Vigo, March 4th, 2016.
- Invited as international expert to the 2nd, 3rd, 4th, 5th and 6th Index Working Group Meeting on the creation of the European Gender Equality Index. Organized by the European Institute for Gender Equality in Vilnius and Brussels between 2012-2016.
- Invited as international expert to the meeting “The Gender Employment Gap – Challenges and Solutions” celebrated in Eurofound (Dublin, Ireland), September 2015.
- Invited as international expert to the “Expert Group Meeting on Gender Equality in Human Development”, organized by the United Nations Development Program (UNDP), the United Nations University Gender Equality Studies and Training Programme (UNU-GEST) celebrated in the University of Iceland, June 2015.
- United Nations Development Program (UNDP), New York. Invited by the Human Development Report Office director, Jeni Klugman, to give a talk entitled “A critical assessment of UNDP’s Gender Inequality Index”, March 2011.
- Economics Department of the Public University of Navarra (Spain). Invited by Rebeca Echavarri to give the seminar “Interactions between dimensions in multidimensional poverty”, October 2010.

- Political Sciences Department of Binghamton University (New York). Invited by David Cingranelli to give a talk about “The Measurement of Human Rights”, April 2010.
- Economics Department of Laval University, Canada. Invited by Jean-Yves Duclos to the Department Seminar Series to present the paper “Interactions between dimensions in multidimensional poverty”, April 2010.
- Collaboration (joint with Conchita d’Ambrosio) with the Oxford Poverty and Human Development Initiative (OPHI) in the research project for the analysis of Chilean data on missing dimensions of poverty.
- Development Sociology Department Seminar Series, Cornell University. Invited by Max Pfeffer (Chair) to present the paper “The measurement of socio-economic gender inequality revisited”, October 2009.
- Economics Department of University of California Riverside. Invited by Prasanta Pattanaik (Emeritus Professor at University of California Riverside) to discuss about Multidimensional Measurement Issues, May 2009.
- Development Seminar, celebrated at the Economics Department of Cornell University the 24th of April (2009). Invited by Kaushik Basu (Chair of Economics Department at Cornell University).
- “II Diplomado en Estadísticas de Género”, celebrated in Bogotá (Colombia), July 2007. Invited by Maria Eugenia Villamizar (Program Coordinator at Departamento Administrativo Nacional de Estadística (DANE, Colombia).

Research Stays in Internationally Recognized Centers

2010 (December to Present) Centre d’Estudis Demogràfics (CED, Spain).

2011 (June-August) Comisión Económica para América Latina y el Caribe (CEPAL, Chile).

2009 (May) Department of Economics, University of California Riverside (United States).

2008-2010 (Academic years) Department of City and Regional Planning, Cornell University (United States).

2007-2008 (January-June) Institut d’Anàlisi Econòmica (IAE-CSIC, Spain).

1997-1998 (Academic year) Department of Mathematics, Univ. Lausanne (UNIL, Switzerland).

1996-1997 (Academic year) Department of Mathematics, Université Polytechnique Fédérale de Lausanne (EPFL, Switzerland).

Languages

- Excellent knowledge of English, French, Spanish and Catalan.
- Basic knowledge of German.
